License summary

A flat-fee discount has been applied. Modifying any license details other than the start date or industry will remove this discount. The rate has been adjusted to your pricing.

1. Image usage

Use:

Digital Media

?

Format:

Digital Advertisement

Advertisement within an application, website, game or other software. Includes banner ads, over-page, in-page or web video advertisements. Use of advertisement on social media platforms requires purchase of separate "Web-Social Media" licence.

Corporate and promotional site

Commercial or promotional use on a website, including as a design element on a corporate website or in branding/profile designs on Social Media. (Does not include paid advertising; for example, "Web - advertisement.")

Email Marketing

A brochure distributed only via electronic means such as a download from a website or emailed upon request to customers and promotional email sent directly to individuals. Use of brochure on social media platforms requires purchase of separate "Web-Social Media" licence.

OEM Product

Loaded or streaming content on device. Does not include in-context advertising of device with image displayed.

Commercial Blog

Use in an editorial-style article on a corporate website or blog. Coverage includes the right to archive the image in context of the original scope of use for up to 5 years.

Social Media

One-time use on any number of social media platforms. Circulation based on total number of followers across all platforms. Perpetual archival rights in original context included. (Does not include profile/cover photo designs; see "Corporate and Promotional Site". Does not include use on digital distribution channels like YouTube or Vimeo; see "Film, video and TV Programmes" for "Web" distribution.)

App

Use within any application designed for either promotional or retail purposes (Does not include use within paid advertising space)
